All the following clubs are run by outside agencies. They are all fee paying clubs. Fees to be paid termly in advance.

We are moving towards a cashless system in the school office, so all clubs run by outside agencies will now only take payment via bank transfer or their own online booking system. Information on how to pay is provided on each Club Registration Form. The exception for this is MegaCamps (Basketball, Dodgeball and Football) who will be setting up online payments from Spring 2019 term – in the meantime you will be able to pay MegaCamps directly at the first club, or in exceptional circumstances you may bring the payment into the school office.

Booking for Choir and Musical Theatre will be via the following link: [Home | E.T.A. Studios](#)
