## HEADTEACHER NOTE

Dear Parents/Carers,

Well the last day has finally arrived where we say goodbye to another year, and our Year 6 children, as they embark on a new journey. They have been a true pleasure to teach and will be missed greatly.

The Year 6 production of Olivia this week was a tremendous success from our talented pupils. Good luck in all that you do children, and make sure that come back and see us soon.

In assembly this week we looked back at the highlights from this past year, which ranged from our 'Showcase Evening' back in October, to our fabulous 'Circus week in April, to our '3 Lions' Facebook post which boasted over 18,000 views!

Our little school is growing in size and reputation as we continue our journey to provide our children with the world class education that they rightly deserve. Our future is bright and we strive to improve every day.

On behalf of all the staff, thank you so much for all your kind words, cards and generous presents. We have been truly spoilt! Your ongoing support for our school is always appreciated and is invaluable to our school community.

All that's left for me to say is to wish you a very happy holiday and we look forward to seeing you back at school on Wednesday 5th September 2018.

Kind regards

*Mrs Durrant*

*Headteacher*

***Have a wonderful summer break!***

***Y1-6 return to school on***

## Inflatable Day

A massive thank you to our JOPSPA who organised and set up this wonderful event. The weather and the state of the school field did not make it easy for you, but you kept going and put on a fantastic event. Many thanks to everyone who helped!

## Year 6 SATs

We are extremely proud of all our Year 6 children for what they have achieved in their SATS this year, and we wish them every success in their new schools.

*Year 6 Team*

## Birthday Cakes

Please could parents refrain from bringing birthday cakes into the school office for children to take into classes.

We have a child who has a severe airborne nut allergy and most cakes have been made in factories where there are traces of nuts.

Unfortunately, this means that we are unable to accept them.

## Summer Reading Challenge

It isn't always easy to keep children occupied over the summer. For those 'I'm bored!' moments, it's always good to have a book handy!

In the last week of term we had a visit from Upminster Library about the Summer Reading Challenge and we would love to encourage all of our students to take part over the summer break.

Children brought home bookmarks yesterday about the challenge, but please visit the website at <https://summerreadingchallenge.org.uk/> for more information

## **School Uniform—changes from September 2018**

Please be aware that there are changes to the school uniform from September. New uniform lists were sent home in June, and the school website has been updated at [www.jamesoglethorpe.havering.sch.uk/](http://www.jamesoglethorpe.havering.sch.uk/)

## **URGENT—sQuid Lunch Payments**

Unfortunately, the school is facing a bill of over £600 in debt due to some parents not regularly topping up their sQuid account for school dinners.

This money comes out of our school budget and has a direct impact on whether we can provide vital equipment or resources for your child's education. If you are having trouble paying then please contact us and we will do what we can to help you work out a payment plan if you have funds outstanding. You can also set up an Auto top up via sQuid so that when your funds go below a certain amount a top up will be taken automatically from your payment card. To enable Auto top up you must first make a top up on your account and store your payment card details by selecting the 'Store for future use' checkbox on the checkout payment details page.

Once your card has been stored:

- Select 'Top up' in the pink navigation bar
- Select 'Auto top up'
- Select the 'Auto top up enabled' option
- Set the prerequisites for Auto top up to trigger on your account.
- Click the 'Save' button.

Please check that your payment card is not due to expire and that you have available funds otherwise your Auto top up will not work. If you need any further support then please come to the school office.

## Attendance

Your child's attendance and punctuality to school is extremely important and ensures they are getting the benefit from all school lessons and not missing vital points on the school day.

Please work with us ensure your child is in school everyday and on time everyday.  
Make everyday count!

If you need to inform us of your child's absence please email us on  
[attendance@jamesoglethorpe.havering.sch.uk](mailto:attendance@jamesoglethorpe.havering.sch.uk)

Please be aware that holiday fines are processed by Havering Council and that there has been a back log in the administration of these fines.

### Attendance - Week ending 6th July 2018
