

PE and Sports Funding 2018-19

How is the funding allocated?

- Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.
- In most cases, we determine how many pupils in the school attract the funding using data from the January 2018 school census.

Funding for 2018 to 2019

- Schools with 16 or fewer eligible pupils receive £1,000 per pupil.
- Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.
- Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.

This means that you should use the premium to:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

For example, you can use your funding to:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity in school
- [raise attainment in primary school swimming](#) to meet requirements of the national curriculum before the end of key stage 2
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

The PE and Sports Funding 2018-19	
Sports premium carried forwards from 2017-18	£12,583
Sports premium 2018-19	£18,867
<i>Total sports funding available</i>	<i>£31,450</i>

Objectives:

- To create a broader experience of a range of sports and activities offered to all pupils
- To increase participation in competitive sport
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- To enter more sport competitions
- To increase pupils' participation in the [School Games](#)
- To encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- To [raise attainment in primary school swimming](#) to meet requirements of the national curriculum before the end of key stage 2

Item/ Project	Cost	Objective	How will we measure the impact?
Swimming instruction and coach	£6,625	To raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2	To increase the number of pupils able to swim 25m competently, who can use a range of strokes effectively (for example, front crawl, backstroke and breaststroke), and can perform safe self-rescue in different water-based situations
2 x Midday Assistant with a sports focus at lunchtime	£7,000	To encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school To create a broader experience of a range of sports and activities offered to all pupils	To introduce and embed the Sports Leader Initiative within the school at lunchtime. The pupil voice questionnaires will show a rise of number of pupils who are happy with the provision at lunchtime. The number of behaviour incidents at lunchtime will reduce.
Extra sports coaching before or after school clubs and lunchtime provision	£1310	To increase participation in competitive sport The profile of PE and sport is raised across the school as a tool for whole-school improvement To enter or more sport competitions To increase pupils' participation in the School Games	There will be an increase in the number of competitive competitions we take part in from previous year. Pupils will report that they feel prepared going into such competitions.
Playground equipment for KS1 and KS2 playground (partially funded from JOPSPA)	£11,679	To increase the engagement of all pupils in regular physical activity	For all pupils to use the playground equipment at some point during the week as part of their 30 minutes of school exercise a day.
Havering Sports Collective annual subscription	£2,950	To increase participation in competitive sport The profile of PE and sport is raised across the school as a tool for whole-school improvement To enter or more sport competitions	There will be an increase in the number of competitive competitions we take part in from previous year. Pupils will report that they feel prepared going into such competitions.
