

JOPS News

Date: 4 February 2019

Note from Mrs Durrant

Dear parents/ carers,

Well the snow did come, but not quite enough!

In the last couple of weeks, we have seen our football team take part in a Havering tournament and play a friendly against Harold Court Primary, which has been a great experience for them.

Currently we need a big push on our attendance. National targets are 96%, so we have included the class attendance figures in this newsletter so that you are aware of your child's class in comparison to the rest of the school. There will be termly reward for children who get over 96% attendance, as well as other incentives.

What was your favourite book as a child? One of our priorities this year is to develop a love of reading in our children so 'reading at home' figures for each class will also be added to the newsletter in future.

Please try to hear your child read at least 3 times a week; and make sure to include your 3 signatures in their reading records. Again we will have incentives in school to help promote this.

We also held the first Parent Workshop last week with others to follow in the next fortnight. If you still haven't booked your place, then please call the school office.

Have a great week!

Kind regards

Staffing

We have two adverts out currently on the Havering Council website for a Relief Cleaner and a Midday Assistant.

If you are interested, or know of anyone who may be, then please follow the link below.
