Note from Mrs Durrant

Dear parents,

Our first week back after half term was a busy one with a spectacular Science Week. Thank you for all of your support in regards to the fantastic costumes and homework that we saw come through the gates Monday morning. It was extremely difficult for the teaching staff to choose a winner from each class. We hoped you enjoyed the Science Fayre on Friday in the dinner hall and thank you to all of the Year 5 and 6 children who ran the various activities and experiments. Open evenings are taking place this week so please book an appointment to see your child's teacher if you have not done so already.

Kind regards

Mrs H Durrant

Reception Class need your help!

Donations needed! Reception children love being creative in the woodwork and junk modelling areas but we are running short of resources. We would be grateful for donations of the following: Beads, buttons, corks, bottle tops, off cuts of soft wood such as pine, egg boxes, cardboard tubes, cereal boxes, hama beads and any other craft bits such as feathers, pipe cleaners etc. Thank you.

Poppies

Poppies will be on sale before and after school in the infant and junior playgrounds this week leading up to Remembrance Sunday. All monies raised goes towards the Royal British Legion.

We will be holding a special assembly on Monday 11th November 2019 where the children and staff will be paying their respects to those who have lost their lives fighting for their country.

Lest we forget
