## Note from Mrs Durrant

Dear Parents/Carers,

Well we made it to half term and what an eventful half term it has been. Well done to all of our new Reception pupils and pupils who have moved to our school and settled in amazingly.

Welcome home to the Year 6 pupils who have been to West Runton on their residential trip this week. The staff received so many positive comments about the group regarding their manners and supportive attitudes, which makes us all very proud.

We return to school on Monday 28<sup>th</sup> October 2019 for an action packed 'Space' themed Science Week (letter sent earlier in the week). First day back is a dress up day where pupils and staff will be dressed as aliens, astronauts, planets or scientists. This will kick-start the week - full of assemblies, workshops and experiments. You are all invited to the Science Fayre on Friday 1<sup>st</sup> November 3-4pm in the dinner hall. It would be great to see you there!

So rest up everyone as we are going to need it. Have a lovely half term and we look forward to seeing you soon.
