## Note from Mrs Durrant 3<sup>rd</sup> July 2020

It's Friday everyone!

It's been a momentous week as we welcomed back all children who wished to return, totalling in over 200 back in our care which is an amazing achievement. Both children and staff have been fantastic!

I know it is difficult but please stick to your child's year group drop off and pick up time slot otherwise we end up with long queues and gatherings at the gate and playground which we are trying desperately trying to avoid.

We have received the Department for Education guidance about September 2020 and we will be communicating with you over the next couple of weeks about what this will look like for us. However, it is clear that all children will be expected to return.

Year 6 end of term arrangements have been sent out this week to Year 6 parents so if you have not received this then please contact the office so that you do not miss out.

The news you have all been waiting for, the end of year reports are due out on Wednesday next week as well as information about who your child's class teacher will be next year. Children with 1:1s will be informed in writing on Thursday of next week. Exciting times!

The reports were written in April 2020 during lock down and will be emailed over to you this year.

As you will not be able to meet your child's class teacher then staff have made short videos to introduce themselves to you and these will be sent to you next week.

Have a great weekend and we look forward to seeing you on Monday.

Kind regards

**Headteacher**
