Note from Mrs Durrant

25th June

Happy Disco Friday,

The Year 1 children have their dancing shoes on today as they have been taking part in a 'Disc-A-Thon' today. It was their own idea to try and dance for 6 hours to raise money for more resources for their learning environment. They have smashed their target of £250 so thank you for all of your generous donations. Please see their Just Giving page to see how much they have raised.

It has been great to see so many of our parent helps in school recently – hearing readers, playing cricket and photocopying endless assessment papers. A huge thank you to all of you – you are very much appreciated and are doing a wonderful job!

Please visit our Facebook page to see what we have been up to this week and today's Celebration Assembly.

Take care and have a great weekend.

Kind regards

### Year 5 Parents – Secondary School applications

Your child will be starting Secondary School in September 2022. To help you understand the application process, the Local Authority have produced an information video and a brochure titled '**Transferring to a Havering Secondary School in September 2022**' which you **must** read before submitting your online application. The brochure and video can be found via the Havering School Admissions website [www.havering.gov.uk/admissions/secondary](http://www.havering.gov.uk/admissions/secondary). You will also find information on this website regarding the Secondary School open events, which take place during September and October 2021. You can apply for a Secondary School place between 01 September and 31 October 2021. If after reading the brochure and watching the video you have further questions regarding the application process, please contact the School Admissions team via [schooladmissions@havering.gov.uk](mailto:schooladmissions@havering.gov.uk) or call 01708 434600 (Mon-Fri 12-5pm).

### Footpath to the Jobbers Rest carpark from Ashvale Gardens

As you may remember, one of our parents was trying to get permission to build a more permanent footpath leading to the Jobbers Rest carpark.

The parent contacted me last week to explain that she is still in communication with the local councillors trying to establish who owns the land. If you have already passed on money for the resources and would like the money returned then please contact the school office giving your name and contact number and we will pass this onto the parent and she will contact you directly. Thank you.
