Note from Mrs Durrant

3rd September 2021

Welcome back everyone,

It has been wonderful to welcome you all back to school and seeing all the smiling faces. The children have looked so smart so thank you for all your efforts in getting them ready for their return.

The children have enjoyed telling us all about their chosen outfits today and why they are special to them as part of our 'Welcome to our world' theme.

We had further celebrations today by having our first assembly in the halls since March 2020. Due to our increasing numbers on roll, we cannot fit us all into the halls now so we have had to split into smaller groups for assemblies. However, we all agreed, staff and children, that it was lovely to be able to be together once again. We have missed it!

So, a great start to the new year! Have a great weekend and we look forward to seeing you all on Monday.

Take care.

Kind regards

Homework

Homework will be sent out commencing Friday 10th September. This will be the same arrangements as last term with two weeks to complete homework and one week where the teachers will mark the handed in work.

Reading

We have heard many children telling us about the great books they have read over the last few months. Remember pupils can read their own books or school reading book as part of their reading week. Books will be coming home with your child along with the reading record, which we would like you to record their reading daily at home. 5 times a week will ensure that they will get on the Reading Wheel with the opportunity to win a prize of

Non-Uniform day. Books can come back in and exchanged once read, and no longer need to be only returned on a Monday and then quarantined.
