NHS Guidance - COVID -19

What to do if a pupil is displaying symptoms of coronavirus (COVID-19)

If your child has a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell then you must follow the guidance for households with possible or confirmed coronavirus (COVID-19) infection and get a PCR test. Do not send them or any siblings into school until you have a negative test result. We would recommend you get the family tested at the same time as the suspected person.

If you do have a confirmed case in your house then children no longer have to isolate. We would recommend that they get a PCR test done though in case they also have it but are asymptomatic.

Please inform the school if your child has symptoms and you are taking them for a test.

End of Year Expectations

- At the end of each term we assess children using the Symphony and Abacus assessments, which are based on the National Curriculum.
- In order for the children to achieve the expected standard they need to meet the majority of the objectives.
- We also use NFER tests with Y3 every term.
- There are no statutory assessments for Year 3.

Behaviour and Rewards

The whole school has a set of rules to follow:

1. We listen to and follow instructions.
 2. We keep our hands, feet and objects to ourselves.
 3. We speak politely and with respect.
 4. We take care of our own, the school's and other people's property.
 5. We always try our best at everything we do.
- Consequences for inappropriate behaviour means time reflecting in the Responsibility Room, parents are informed and behaviour is logged.
 - Gold and silver awards are awarded for positive behaviour (more than just being 'good' e.g. determination, resilience, act of kindness)
 - Golden awards are put into our lottery wheel every Friday and winners receive a prize.
 - Headteacher's Awards - Awarded weekly by the class teacher and linked to the 3 values
 - Golden Reading Wheel - anyone who has read 5+ times a week
 - House points can be given out daily and house cup awarded every term

Trips/ WOW moments

We are hoping to start our annual trips and workshops for the children very soon.

Swimming is due to start for Year 5 this term and then Year 3 and 4 later in the year.

Social Media

- There has been an increase in the use of parents Whatsapp groups.
- Very useful tool to relay information and put reminders for each other.
- If your child comes home and is unhappy or reports something has happened throughout the day then please go and speak to the class teacher straight away to get the full story rather than head straight to the Whatsapp group.
- There have been occasions where false information has been put onto such groups which can cause various issues and misunderstandings.

Please be considerate when parking in the nearby streets.

Some nearby parking is for residents only so please be vigilant.
