Note from Mrs Durrant 11th February 2022

Happy Friday everyone!
Can you believe another half term has whizzed by?

It's been a great week in school, starting off with the football team friendlies against Upminster on Monday. The boys drew 1-1 and the girls won 4-0, so both great results and the children made the school proud with both their performance and attitude on the pitch.

Year 2 have been working hard this week on their mock SATs so well done to them and keep up the good work.

Today is an exciting last day as we have Chris the Dinosaur Marathon Man running around our back field to raise money for a defibrillator for the school. He has raised over £3000 already so thank you to all of your generous donations. If you still want to donate then please follow this link

www.justgiving.com/dinowww.justgiving.com/dinofordefibrun A huge thank you to Chris and his team who have worked so hard to prepare for this event. It is always a challenge to run a marathon but in a dinosaur suit? Chris we salute you!

Please visit the Facebook page and website to see what the children have been getting up to this week. All that is left for me to say is have a lovely week off and take care.

Parents dropping off and picking up

Can we remind parents that when you are dropping off or picking up that you do not park over residence driveways or on the yellow double lines. Please note the overflow carpark is for staff only. Unless a prior agreement with Mrs Durrant has been made we ask parents not to park in the overflow as staff must have access to enter and leave at all times. Thank you for your support.
