Breakfast Club

We are happy to see that Breakfast Club has returned to the high bookings that we had prior to COVID. With this great news we do need to remind parents to book by noon Wednesday prior to the week you need! There are 2 days with limited spaces and 1 day that has been full every week for the last 4 weeks and therefore we are unable to take any late bookings for this day. If we can remind you to walk your child down to the door each morning where we will be happy to check the register before you leave.

Unfortunately if we are full, and you are NOT booked in, we will not be able to take your child and would therefore ask you to make other arrangements until the start of the school day.

Booking lunches online

Squid is up and running and we thank you for your patience – You will be able to book on for the whole term. If your child is absent but you have prebooked then the class teacher will be able to remove them from the system in the morning. This is saving teachers so much time and they are able to get onto actually teaching the children earlier so thank you.

Attendance – Congratulations to those who achieved over 96% (national target) and well done to the classes in red who have won their 'Phase Attendance Competition' for that week. Week beginning 16.05.22

Class	% Attendance	Class	% Attendance	Class	% Attendance

<i>Squirrels</i>	95	3CG	80	5S	95

SEND & IEP Meetings

Thank you parents for signing up for your child's IEP review. We would like to incorporate your child's views into their IEP so if possible we would like them to attend the review meetings. Remember that we can still offer face-to-face or Zoom, so let the Office know which you prefer.
