Note from Mrs Durrant

10<sup>th</sup> June 2022

Happy Jubilee Friday!

The children looked great this morning as they came in with their red, white and blue - waving their flags. Thank you for those who were able to come and support at the parade this afternoon and for the JOPSPA volunteers who helped as marshals along with other members of our staff. The JOPSPA team have also been in school today working with the children to create the coin collage in the shape of the Queens crown. It looks amazing and has raised money for the school so thank you for the spare change which you donated. Please see photographs from today's celebrations on our Facebook page.

At the start of the parade, the children were presented with a special Jubilee medal, which JOPSPA have bought for the children to help them remember this special event. Thank you JOPSPA – the children loved them and wore them with pride!

The Y5/6 Quad Kids team did really well this week smashing personal bests left right and centre. Next week our Y1/2 and Y5/6 cricket teams are in competition so good luck to them. .

### Parentview

As some of you may remember at face to face open evenings, we use to ask you for your views on the school using the Ofsted Parentview Questionnaire. We are asking our parents to visit the parentview site themselves at <https://parentview.ofsted.gov.uk/login?destination=give-your-views> and to answer the multiple-choice questions, which will not take long at all.

We are constantly striving to do better, as are our children, and so your views are important to us in order for us to celebrate what we do well as well as to develop and move forward. You are always so responsive so thank you in advance for your assistance with this and we look forward to receiving your thoughts.

**Attendance** – Congratulations to those who achieved over 96% (national target) and well done to the classes in red who have won their 'Phase Attendance Competition' for that week. Week beginning 06.06.22

### Youth produced Sexual Imagery – Met Police Support for parents via online meeting

'Incidents of children and young people sharing nude and semi-nude images of themselves with their peers is becoming increasingly widespread. This is concerning, particularly when these images fall into the 'wrong hands' and are shared widely without consent. It is important that school and home work together to raise awareness of the potential consequences and dangers of sharing these self-produced images and we would urge all our parents/carers to attend this special online event, hosted by our Safer Schools Met. Police team, to find out more.'

### Relationships and Sex Education (RSE)

Next week the children will be starting to learn age appropriate material as part of the Relationships and Sex Education. We have the list of names of parents who DO not wish for their child to take part in such sessions. If you have not informed us then your child will start these series of lessons this week. Please refer to the letter sent before half term for more information.
