Note from Mrs Durrant

1<sup>st</sup> July 2022

Happy Friday everyone!

Can you believe it is the 1<sup>st</sup> of July!

Maybe it is because it is the end of year, but more recently members of staff have been spoken to inappropriately either face to face or over email. If your child comes home and retells something that concerns you, then please contact the office and ask for someone to call you back and provide you with further information. If you are still dissatisfied then please raise this, however I am sure you will agree it is important to get all the information first.

By choosing our school, you are entrusting your child into our care, so we ask for your support in decisions that are made. The staff are not robots and have feelings, so please ensure you are speaking to people in a polite and respectful manner. These behaviours are from the minority of our school community, however it is becoming more frequent which is unfortunately why I feel I have to mention it.

We will always be there to help, answer your queries and try to resolve issues, however, as a school community we all need to ensure we speak to people as we would want to be spoken to ourselves. This is what we instil into our children and we all need to be models of the behaviours we want to see.

Enjoy your weekend everyone and take care.
