

JOPS News

Note from Mrs Durrant

9th September 2022

The first newsletter back of this new school year and it is a very sad day indeed. Following the news of the death of HM Queen Elizabeth II, today has been very strange for the children and staff here at school, as I am sure it has been for you all.

We shared the Newsround report in assembly today with the children and have organised a display in school where they can add their thoughts, pictures about the Queen or indeed their questions that they may have over the next few days. If you wish to view the report then please follow the attached link https://www.bbc.co.uk/newsround/news/watch_newsround

At times like these it can trigger personal feelings of loss that we have experienced as well as the loss of our Queen, so the children were asked to look out for each other over the next few days. The children are having follow up discussions in class today and will continue next week so that they have an outlet to talk about it, if they need it.

The children have settled back into school life so well this week and have told us all about their adventures and experiences over the summer. It sounds like you have all been very very busy. Take care and hope you have a peaceful weekend.
