Can you recall the main message in our vision for the school and the 3 values which underpin all that we do.

Vision and values of the school

The school is led and run around our children – their needs are paramount and take the centre stage. It is our responsibility to strive towards giving our children a world class education which they so rightly deserve. We believe that by developing their **aspiration, integrity** and sense of **identity** will set them up for their life beyond.

Our 3 values

#aspirationinaction

- High expectations of ourselves and each other
- We believe in lifelong learning for all of us
- We don't believe you can ever reach your full potential as we should always be striving to get that little bit better at whatever we do every day
- Determination and resilience are crucial as it learning from our mistakes
- Growth mindset - I can't do it... yet!

#integrityinaction

- High moral purpose is important to instill at a young age for our children – for them to know right from wrong
- Honesty and fairness have to be instilled and modelled to them
- We want our children to make good decisions in life because it's the right thing to do - we all like to get rewards but actually let's strive to do the right thing as that's the right thing to do a good citizen.
- Take responsibility for your actions - we all make mistakes but it's important to hold our hands up and take consequences and learn from these mistakes so that we do things differently next time.

Our 3 values

#identityinaction

- Who are you? What is special about you?
- Respect differences in others
- Happy and confident with a high self esteem
- Strong sense of community
- Working together towards a common goal

This is our school and we wear the badge with pride!

Attendance and punctuality

- Mrs McCann – Attendance officer
- School has an Education Welfare Officer (EWO) who works with families below 90%
- Whole school aim is to raise attendance to meet National expectations = 96%
- To report an absence then email attendance@jamesoglethorpe.havering.sch.uk or leave a message on the school phone 01708 225202.

School incentives as attendance is on our school improvement plan this year:

- Weekly statistics for each class in the newsletters
- Attendance Non Uniform Day for pupils with 96%+ every half term

Working with school council to devise new awards this year.

- <https://www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities/chapter-3-public-health-management-of-specific-infectious-diseases>
- Medication – please bring to school office to sign a disclaimer – only administer antibiotics if it's 4 times a day

Covid guidelines

<https://www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities/chapter-3-public-health-management-of-specific-infectious-diseases>

- Children with mild symptoms such as a runny nose, sore throat, or mild cough, who are otherwise well, can continue to attend their education or childcare setting.
- Children and young people who are unwell and have a **high temperature** should stay at home and where possible avoid contact with other people. They can go back to education or childcare setting when they no longer have a high temperature and they are well enough.
- If a child or young person has a positive COVID-19 test result they should try to stay at home and where possible avoid contact with other people **for 3 days after the day, they took the test.** The risk of passing the infection on to others is much lower after 3 days, if they feel well and do not have a high temperature.
- Children and young people who usually attend an education or childcare setting and who live with someone who has a positive COVID-19 test result **should continue to attend as normal.**

End of Year Expectations

- Year 6 have statutory assessments of SATS on 8th May 2023. They sit papers in reading, grammar punctuation and spelling and maths. Their writing is assessed by the school staff and is based on their writing produced in the latter part of the year.
- In preparation for the SATS tests we do 3 Mock SATs tests across autumn and spring term (using past SATS papers). These are done in small groups with adult support. Each time we analyse the tests and create intervention groups to further support the children with the aim of incremental progress being seen across the test results.
- There will be further information to come out later in the year about this.

Behaviour and Rewards

The whole school has a set of rules to follow:

1. We listen to and follow instructions.
 2. We keep our hands, feet and objects to ourselves.
 3. We speak politely and with respect.
 4. We take care of our own, the school's and other people's property.
 5. We always try our best at everything we do.
- Consequences for inappropriate behaviour means time reflecting in the Responsibility Room, parents are informed and behaviour is logged.
 - Gold and silver awards are awarded for positive behaviour (more than just being 'good' e.g. determination, resilience, act of kindness)
 - Golden awards are put into our lottery wheel every Friday and winners receive a prize.
 - Headteacher's Awards - Awarded weekly by the class teacher and linked to the 3 values
 - Golden Reading Wheel - anyone who has read 5+ times a week
 - House points can be given out daily and house cup awarded every term

Homework - starting wk beginning 12.9.22

- Go out on a Friday and due back on a Friday 2 weeks later.
- A 2 week set of homework will be posted on the Google Classroom. Children may complete this online or just view the homework online but record their answers in their homework book.
- No printing out will be necessary.
- There will be no homework set in Week 3 which will give the teacher time to mark.

Reading at home

- It is the school expectation that children read at home at least 3 times a week (ideally 5 to get onto the golden wheel).
- Parents should record and sign that their child has read in their reading records.
- Records will be checked daily.
- Children are responsible for changing their reading books and remembering them.

E-learning

Your child will have logins for:

- TTRockstars
- Spelling Shed
- Google Classroom

All log ins will be stuck in the front cover of their reading record.

Parent Engagement

- Parent evenings in November will be virtual however in February will be face to face as books will be shared with you at this time.
- SEND children will not need to attend evening parent evenings as they meet termly for IEP reviews. These can either be face to face or virtually via Zoom.
- Please let staff see their children out before you approach them on the gate.
- Alternatively send an email to the office and they will call you as soon as they can.
- If there is an issue regarding your child then please speak to the class teacher about initial concerns, if you are not happy with the response then it will move to class teacher and phase leader and then the senior leadership team.

Social Media

- There has been an increase in the use of parents Whatsapp groups.
- Very useful tool to relay information and put reminders for each other.
- If your child comes home and is unhappy or reports something has happened throughout the day then please go and speak to the class teacher straight away to get the full story rather than head straight to the Whatsapp group.
- There have been occasions where false information has been put onto such groups which can cause various issues and misunderstandings.
- Get all information before forming your opinion please and please be respectful and polite when voicing these opinions either in person or via email.

Sport Team

- We have employed 2 new members of staff this year to work alongside Mr Bennett to form our sports team which will provide a much higher quality of provision in sport.
- This is the reason why we have had to charge a minimal fee for all school run clubs to cover these costs - £25 for 12 sessions.
- At times in the year certain clubs will be open to all and other times of the year they may be invite only so that the group can be trimmed down and the squad can get ready for a forthcoming competition.
- The decision on the selection of squads and teams is a school decision. It will be based on the child's skill in that sport, attendance to sessions previously, attitude and behaviour in the sessions and in school as they may be representing the school later down the line.

Sport Team

- We know it will be disappointing for the children if they are not selected, however this is an important lesson in life. One of our values is aspiration and helping the children to be resilient and develop the ability to pick themselves up when things don't go to plan and to try again. It's hard but this is the not the first time they will go through it.
- As parents, we do expect you to support the school's decisions on selection - you may not like the decision but we do need your support.
- Please remember to be polite and respectful and get all information from staff before forming your opinions on matters to do with sport. The Whatsapp chats have a lot to answer for in some situations we have seen recently.
- Be mindful that some of our teachers are volunteering their time to run such clubs with your children and I fear this may stop if certain behaviours continue.
