

JOPS News

Note from Mrs Durrant 21st October 2022

Well, where has that time gone? The first half term has just flown by. It's been a busy final week, with our Reception, year 1 and year 2 pupils all having their first phonics assessments. Your child will have come home with their new reading books/ reading sheets to read over half term. Well done to all of them for showing aspiration and trying their best in these.

Our year 6 children have been away to Norfolk on their residential trip this week. Mrs Durant reports that a good time has been had by all and that the children have been exceptional representatives for our school. I am sure you will join me in a special thank you to the staff members who have attended, as without them volunteering to go, and sacrificing their own time, it would not be possible.

As always, thank you for your continued support this half term and we look forward to welcoming the children back on Monday 31st for their Memory Maker day.

Take care, and have a restful half term.

PARENT NOTICES

DATES FOR DIARIES

RECEPTION TOURS 9:30 – 10:30

OPAL

The children are enjoying the fantastic activities that have already launched for our OPAL lunch times and we look forward to introducing more activities soon. As the weather turns colder and wetter, it is even more important that all pupils have Wellington boots and water proofs in school so that that can enjoy their lunch time provision all year round. Pupils without suitable footwear and waterproofs will not be allowed onto the grass, and digging areas when the ground is wet.
