## YEAR 1 AND YEAR 5 NEED SOME ITEMS FROM YOU!

Year 1 would like toilet/kitchen tubes, small boxes and tubs for their junk modelling area. Year 5 are after your old newspapers for a '3D Paper Mache Solar System Art Project' that they will be starting soon. If you are able to supply any of the above then please send in with your child who will be able to drop the items directly to the classes.

## PARENT CREATIVE WORKSHOPS

Parent Workshops are an opportunity for parents to come into school to work with their child on a certain activity. For dates for the different year groups please see above. Parents should wait outside the halls for the staff to let you in at 2pm on the given day. Please be aware that this is adult only and that younger preschool children or babies will not be allowed to attend. At the end of the workshop parents can wait in the playground for their children. So we are aware of numbers attending please complete the google doc below. We look forward to seeing you there.

## YEAR 5/6 CHILDREN WALKING HOME ALONE

This week we had a number of parents informing us of some of the older children running in the roads walking home from school and pressing buzzers for the main office and after school club, which can be accessed from the street. We have spoken to the children about this but please reiterate at home how to behave responsibly when they are given more independence. Thank you for your support with this.

**Attendance** – Congratulations to those who achieved over 96% (national target) and well done to the classes in red who have won their 'Phase Attendance Competition' for that week. Week beginning 09.01.23
