Note from Mrs Durrant

28th April 2023

Happy Friday everyone,

We started our week with a Havering inspector visiting us on an arranged visit to the school where she popped into all classes and spoke with myself and Mrs Wagstaff. She has been with us for the last 6 years as our link advisor and was very complimentary about our school and the changes she has seen over time. Last Friday we also had a maths inspector come in to meet with maths leaders and was blown away by our children – saying that she had never met children who were so confident, engaged and articulate about their maths.

Year 1 and 2 mixed football teams were amazing at their competition this week and won both events.

Congratulations to all those who attended.

Reception have been on their school trip today to Barleylands and had an amazing time. Hope it wasn't too stressful for parents as it was their first time on a trip.

Take care and enjoy your bank holiday weekend.

The people have spoken and the majority would prefer sportsday on one day with no picnic. Therefore Sports day will be in the morning for Rec - Y2 and then in the afternoon for Y3-6 on the last day of term - Friday 26th May 2023. Timings will follow shortly.

Thank you to all those who sent their votes and we look forward to seeing you there.
