## Pop Up Pool

We are delighted to announce that we have booked the Pop Up Pool for February and March 2025. More information will follow much nearer to the time.

## Please park with care.

We have had a recent influx of emails from residents regarding parking problems around the school area. JOPS have maintained good relationships with residents, and wish for this to continue. Please remember that Havering will give out fines for parking across a dropped kerb without permission so please park responsibly at all times. We have requested for more police and warden presence down the road to spot check vehicles.

We are delighted to announce that **JOPSPA**, in conjunction with the school, has created an **Amazon Wish List**. **Anyone** within our community can **donate** and have items delivered directly to the school (term time only), or to your home address (whatever is easiest). By using the Amazon Wish List, you are donating items that the **teachers have specially selected for our children**. As you are aware, school budgets remain stretched and we appreciate any contributions we receive from the community. Should you wish to support your local shops similar items can be purchased directly from them and handed in at the office. Please feel free to share our link as widely as possible.
