

Note from Mrs Durrant

Happy Friday!

Y5/6 Quad kids were amazing this week, displaying their athletic skills to the crowds gathered at Hornchurch Stadium. Please see the action shots on Facebook.

Just to clarify the school will be closed on Monday 1st July (INSET) and Thursday 4th July (Polling station). We cannot change the INSET date as we have things planned on that day and parents and support staff (who do not work on INSETs) have booked long weekend so it is unfortunately not an option to move the INSET from the Monday to the Thursday. We appreciate it is difficult for working parents to cover 2 days closure in one week, however as you know, the polling day is completely out of our control.

The main dates leading up to the end of term are on the newsletter. Mr Fielder, the new Headteacher, will be meeting the new Reception parents at the intake meeting on Tuesday and will be here all day in school on Friday 14th June to meet you at drop off and pick up, meet the children in assembly/ lunchtime and meet the staff throughout the day. So keep your eyes peeled for him.

There are approximately 110 children eligible for the special Gold trip for children who have read 5 times a week for the whole year. We are busy looking at options so please ensure your child does not slip off the list and keeps up with the reading this half term.

Reports go out on Friday 12th July and there will be an opportunity for parents to speak to teachers after school on Tuesday 16th July if they have a query about the report. This will be appointment only and more information will follow nearer to the time. You will be able to meet the new teacher at the 'Welcome to Year...' meeting in September.

The sun is shining and hopefully will remain for the weekend so enjoy and we look forward to seeing you on Monday.

OPAL need some buggies

Our children have been really enjoying the buggies (pushchairs) during OPAL play. If you have a buggy you could donate to the school this would be greatly appreciated. Thank you all for your continuing support on Opal Play - and for all your donations so far which have made such a difference.
