

Happy Friday!

I must mention the Music Festival, which I attended last Friday at the Queens Theatre. What a delight to see our talented singers on stage in the spotlights, A thoroughly enjoyable afternoon!

Y1/2 athletes took part in the Quad Kids event this week and did really well in the hot conditions. We hope all went well with the Y6/7 transition week at their new secondary schools and those who still have theirs to come, then good luck to you.

For Year 1-5, it has been assessment week and the children have been working hard to show us what they can do, so we can confirm their progress in their end of year report. We are having more of the school roof replaced in the next few weeks. The materials and machinery have arrived on site this morning, with a completion by September. As you know, it is a 3-day week next week with INSET day on Monday and then Polling Day on Thursday. Mr Fielder and the new Deputy Headteacher, Mrs Chapman, are in next Wednesday 3rd July to meet the children and staff and plan for September, so you may see them around at drop off and pick up.

Attached to this newsletter is the JOPSPA leaflet about the Inflatable day on Monday 15th July. This will take place during the school day on the backfield at a cost of £6 to and will be a non-uniform day. If any of our families know that they will struggle to find the funds for this event then contact the school office and we will explain how you can sign the disclaimer without the donation. Without this disclaimer there will be no bounce! If your child does not want to take part then alternative arrangements will be made for them. On this day, the Year 6 will be holding the annual Enterprise Day where they have created their own businesses and stalls to run. All profits from each Year 6 business are calculated at the end of the event and a prize awarded to the most successful venture. The Year 6 children then decide on what to purchase for the school with the profits raised. If your child does want to have a go at the stalls then they will need no more than £5 in coins as each stall will be around 50p a go.

A jam-packed newsletter this week but it always gets a little crazy at the end of term. Take care and have a great long weekend.

Please turn off your engine!

Some parents are arriving by car before 2:30pm and sitting with their engines on. Please turn off your car engine as this is not only negative for the environment but is a fineable offence.

Country Lines in London

Please see below a link for a free parental webinar run by Ivison Trust, a charity working to keep children safe. Each session is delivered by a local police officer alongside a parent or young person with experience on how country lines has affected them.
