

Happy Friday!

Today we wake to a new beginning with a new government, which we spoke about in assembly this morning. I wonder what the future will hold for us all...

It has been a bitty week as you know, what with the INSET day on Monday and then Polling yesterday. Thank you for your understanding, as we know it is difficult for some working families when the school is shut and 2 days in 1 week is not ideal.

Y6 enjoyed their Mayan workshop earlier in the week, however were unlucky with the weather today and their trip to Thames Chase has been postponed to next Friday (see note below).

Mt Fielder and Mrs Chapman were in all day on Wednesday, meeting with the other senior leaders and staff within the school and receiving their final handover before September.

Hope the weather brightens and you enjoy the weekend and good luck to England in their quarterfinals tomorrow evening.

Take care and we will see you on Monday.

### Year 1

Next week we will be making models of some of London's landmarks. Please could you send in any boxes, egg cartons, cardboard tubes, plastic bottles etc that you have at home if you have any spare? Thank you.

### Year 6 Thames Chase Trip

The trip today was postponed due to the forecasts and have been rearranged for Friday 12th 10:30am-1pm. We will use your permission, which you completed for today's trip, however if you wish for your child NOT to attend then please email the main office. Your child will need a packed lunch for this day.

### Shout out to Focalpoint Lofts!

A special shout out to one of our parents who owns Focalpoint Lofts. He has supplied us with pallets and off cuts of wood from jobs and always delivers it to us. This has enabled our site team to build the mud kitchens for OPAL and climbing frames in Reception and many more projects. Thank you for all of your help it is truly appreciated.

### Maths Text Books

We have a lot of old maths text books which we no longer need in school. We will be sending these home with the children next week as we know some parents like to do some extra work with their children or maybe would like to test their own maths skills:) If you do not want the book then please return to their class teacher the next day.

### Ben Kinsella Trust

We are so pleased to offer a FREE online workshop for parents & carers on helping our children stay safe.
